

SIGNAL POINT POOL OPENING AND KEY DISTRIBUTION POSTPONED UNTIL FURTHER NOTICE

- On May 12, 2020, Governor Kemp issued Executive Order 05.12.20.02, “Reviving a Healthy Georgia,” which allows public swimming pools to be reopened as long as recommended guidelines from the The Georgia Department of Public Health and the Cobb County Health Department are implemented and followed.
- Our community’s safety is of utmost importance to the Board. Therefore, the Board is carefully reviewing the guidelines to ensure all necessary precautions can be implemented before opening the pool for use.
- Keys will not be distributed until the pool opens for use.
- The Board will communicate the new opening date and key distribution via email and will post a sign at the entrances of Signal Point and at the pool when proper precautions have been met and a date is decided upon.
- Mandatory Pool and Facility dues of \$275.00 and Regular dues of \$100.00 were due on May 8th. The postponement of the pool opening does not change the amount due or the date due. The HOA is required to maintain the pool and facilities just as it would if it were open. The annual inspection by the Health Department has occurred and has been approved – there is a lot of work that goes into preparation for this. Late fees may apply after May 31st and keys will not be distributed until full payment has been made.
